

# BRICKS BREAKER GAME

## ➤ **Objective:**

- 1) Break as many black bricks as possible and collect red bricks in red bucket and green bricks in green bucket.
- 2) Don't let black bricks fall in any bucket.

## ➤ **Scoring:**

- +5 for shooting black brick
- 10 for shooting 5 wrong bricks continuously
- +5 if red color brick collected in red bucket
- +5 if green color brick collected in green bucket

- You will have 3 lives in each level. You lose one life if black brick gets collected in any bucket.
